The National Organizing Committee kindly invites you to take part in the work of the XXX International Scientific Symposium "METROLOGY AND METROLOGY ASSURANCE 2020" (XXX ISS "MMA 2020"), which will be held on September 7 – 11, 2020 in Sozopol town, Bulgaria.

The XXX International Scientific Symposium "METROLOGY AND METROLOGY ASSURANCE 2020" is organized by the Technical University of Sofia - Department "Electrical Measurements" and Department "Precision Engineering and Measurement Instruments" and the Bulgarian Section of IEEE and with the attendance of Bulgarian Institute of Metrology, Union of the Metrologists in Bulgaria, Bulgarian Academical Association of Metrology and Kozloduy Nuclear Power Plant.

The ISS "MMA 2020" will provide insights to the latest achievements in metrology and metrology assurance. Traditional participants are representatives of state and private companies, metrological services, technical universities, licensed laboratories, international and Bulgarian measurement equipment companies.

Topics of interest include, but are not limited to:

- General aspects of metrology. Measurement methods. Unity and accuracy of measurements
- Sensors, transducers and devices for measurement of physical quantities
- Measurement and information systems and technologies
- Measurements in the industry
- Measurements in the electrical power engineering
- Acoustics measurements, vibration measurements and diagnostics
- Measurements in the ecology, biotechnology, medicine, and sport
- Metrology Practice
- Measurement in the humanities and social science
- Quality management and control, standardization and certification

All reports are reviewed. The best reports in the IEEE fields, in full or partly, will be published in the IEEE Xplore Digital Library. All the others reviewed reports will be published in the Proceedings of XXX ISS "MMA 2020" in English in printed and electronic form.

The working languages of the Symposium are English, Bulgarian and Russian. On XXX ISS "MMA 2020" reports can be presented on each of the working languages at the request of the author/s. Translation services will be provided from and into any of the working languages.

All papers must be original and not simultaneously submitted to another journal or conference.
